

This is the email confirmation you received after signing up online:

Dear BG Hockey School Participant,

Thank you for your choosing the BG Hockey School in 2024. By now you have already received your online confirmation (as soon as you completed the online registration process). That confirmation shows your payment information as well as which week(s) and group you have signed up for. Your Medical and Hold Harmless forms have been completed online during registration so there is no additional paperwork you need to do.

The following is some information that deals with frequently asked questions:

- All forms and information, including daily schedules can be found on the BG Hockey School web site, at the top of the main page under the “Forms” section at www.bghockeyschool.com
- All roommate requests will be honored. You can still update roommate requests up until two weeks before camp starts. This can be done through your online account that you set up when you registered.
- There are 2 people assigned to a room. Groups of more than 2 people will be assigned rooms next to each other. Centennial is the dorm we are using all summer.
 - Be sure to mention any additional players in your group in the “Additional Comments Section” when registering.
- All balances, if any, will be due by April 30, 2024. If you chose the automatic option, you do not have to take any action. If you did not, then you need to go into your account and make the payment.
- Everyone who has registered for the BG Hockey schools has created an online account. If you need to change any personal information, make a payment, change a roommate etc... This can all be done online through your account.
 - Note: If you signed up last year or previous years for the Kent Hockey Schools, your online account is still the same.

Note: Just a reminder that the ice portion of the camp will be taking place at the Cube in Findlay, OH. Bus transportation will be provided to and from the BGSU campus to the rink each day.

Thanks again for selecting the BG Hockey School. We look forward to seeing you this summer. If you have any questions, please feel free to call me at 330-671-5775 email me at the address below or visit our web site.
